Photography exhibit by Jeff Grandy

The Mono Lake Committee is proud to announce a photography exhibit by Jeff Grandy in its Information Center and Bookstore exhibit room in Lee Vining. The exhibit will run from November 2001 through April 2002. Don't miss out on this chance to see this landscape and nature photography exhibit.

Jeff Grandy has lived, worked, and photographed in and around Yosemite and the Sierra Nevada for over two decades. For 11 years he worked for the Ansel Adams Gallery in Yosemite conducting regular camera walks. Jeff has also partnered with the Ansel Adams Gallery and the Yosemite Association to conduct two-day workshops for beginning photographers. His slide show, "Circle of the Season," was seen by thousands of Yosemite visitors over the eight years it was presented in Yosemite Valley. He's had work published by Sierra Press, National Geographic Books, Sierra Heritage, and Yosemite Association among others.

Currently Jeff works for West Coast Imaging in Oakhurst California, creating high quality fine art prints for other photographers in the digital darkroom.
