

# Miwok-Paiute Basketry

**June 23–25, 2017**

**Lucy Parker, Julia Parker, & Ursula Jones**

\$265 per person / \$250 for Mono Lake Committee members

\$80 materials fee to be paid to instructors

enrollment limited to 12 participants

*seminar takes place at Mono Lake County Park; no camping included*

During this three-day seminar, participants will prepare materials and create a small Miwok-Paiute basket. All materials will be gathered, seasoned, and prepared for each student. This seminar is designed for weavers of all levels, beginning through advanced.

Lucy Parker is a descendant of the Yosemite Miwok, Mono Lake Kutzadika<sup>a</sup>, and Kashaya Pomo peoples. She learned traditional handiwork from her mother, a master basket weaver, and will pass on some of her knowledge in this seminar. Julia Parker is Lucy's mother and has dedicated her life to learning and teaching basketry as well as continuing the traditions of her people. She is one of the famous basket weavers of California, and the only weaver still practicing who was taught by women who wove in the early 20<sup>th</sup> century. Ursula Jones—Lucy's daughter and Julia's granddaughter—is continuing the basketry tradition for the next generation.

**Please note** that basket weaving requires desire, time, dedication, and proper preparation of materials. *This seminar is designed for those who either wish to learn a new basket material technique or are new to basket weaving.*

## ITINERARY

On **Friday, June 23 at 9:00am**, we will meet inside at the Mono Lake Committee Information Center & Bookstore in Lee Vining. After announcements and introductions we will caravan to Mono Lake County Park, five miles north of Lee Vining, where the class will take place for the weekend. We will introduce materials and technique, and then begin work on our baskets. There will be discussion of Miwok and Kutzadika<sup>a</sup> (Mono Basin Paiute) culture. We will break for lunch.

On **Saturday, June 24 at 9:00am**, we will gather at County Park to begin work. Most of the day will be spent working with your hands, and there will be breaks throughout the day. As we work we will enjoy the cool shade of the willows, cottonwoods, and aspens, and have opportunities to tell stories and discuss Kutzadika<sup>a</sup> culture.

On **Sunday, June 25 at 9:00am**, we will gather again in the park and continue our work and discussion. We will conclude our seminar in the early afternoon.

***Altitude and Dehydration Cautions:*** Remember to bring (and drink!) lots of water because your body loses more water at the higher altitudes of the Mono Basin. Experts recommend that you begin drinking extra water as you drive to higher elevation in order to prevent dehydration and headaches. Also, the sun is rather fierce at high elevations, capable of burning even on cool and cloudy days, so be sure to protect yourself thoroughly using sunscreen, sunglasses, and hat.

## MEALS

You must bring your own drinking water, snacks, and lunches to eat in the park each day. Breakfasts and dinners are on your own.

## TO BRING

Lucy may have some limited supplies available for purchase.

- long towel
- bucket
- sharp general-purpose knife
- hand pruners (for cutting additional willow)
- good quality, sharp scissors
- high-quality **small** metal awl
- low lawn/folding chair or blanket for sitting on the ground
- large, long (three-feet or longer) Tupperware container for soaking materials
- spray bottle
- sunscreen and/or hat
- water for the day (or for your camp for the duration)
- insect repellent
- a basket tool kit if you already have one

*Please bring an \$80 **CASH** material fee to be paid to Lucy Parker.* Basket materials must be collected by hand in the fall, winter, or spring depending on the material, which involves time and effort. Lucy must gather enough materials for 12 potential participants. If you need extra materials during the course of the seminar, they will be available for an additional charge.

## RECOMMENDED BOOKS

Some of the following books are available at the Mono Lake Committee and are excellent informational and reference sources:

*The Fine Art of California Indian Basketry* (\$20.00)

*It Will Live Forever* (\$14.95)
